A MESSAGE FROM THE ADMINISTRATION

Along with the anticipated arrival of warm weather, the 2024-2025 school year is quickly drawing to a close, and seniors are counting down days to graduation on **Saturday, May 10th at 11:00 a.m.**

The school calendar seems to be bursting at the seams at this time of year with activities such as track meets, science fairs, district music contest, FFA convention, and of course, state testing. Our students are involved as well as talented here in Allen, and we are so proud of the hard work that they put into their activities! In fact, there are so many students deserving of congratulations that I cannot even fit them all here! Check out the rest of the newsletter for the many student accolades we have!

Assessment Season: April is the start of many seasons in our area. One major event that April brings specifically for the school is the start of Nebraska state testing. The Nebraska Student-Centered Assessment System (NSCAS), pronounced "en-skass," is a statewide assessment system that embodies Nebraska's holistic view of students and helps them prepare for success in postsecondary education, career, and civic life. It uses multiple measures throughout the year to provide educators and decision makers at all levels with the insights they need to support student learning. NSCAS tests are the state assessments that all schools in Nebraska will take to see how each school is performing. The NSCAS tests are based on state standards that each classroom teacher is teaching. The benefits of NSCAS testing are that it will give an equal comparison of all schools in the state. The drawback of NSCAS is that it is a one-time test that does not take into account a student having a bad day and not doing as well as they might on a different day. There are several things that you can do as parents to help your students be successful during this time. Below are test taking tips that you could talk to your son or daughter about to make sure they do the best that they can.

- ◆ Read the directions for each test carefully.
- ◆ Read each question carefully.
- ◆ Pace yourself—don't spend too much time on a single passage or question.
- ◆ Pay attention to the announcement of five minutes remaining on each test.
- ◆ Answer the easy questions first, then go back and answer the more difficult ones if you have time remaining on that test.
- ◆ On difficult questions, eliminate as many incorrect answers as you can, then make an educated guess among those remaining.
- ◆ **Answer every question.** Your scores on the multiple-choice tests are based on the number of questions you answer correctly. **There is no penalty for guessing.**
- ◆ If you complete a test before time is called, recheck your work on that test.
- ◆ Make sure you get a good night sleep before the test.
- ◆ **Make sure you eat breakfast before you come to school or at school.**

More information will be in the school announcements as well as coming home with individual students as we get closer to the NSCAS test taking days. When those assessments are scheduled, it is imperative that your child receive plenty of sleep the night before and that they have a nutritious and filling breakfast. It is also very important that your child comes to school that day so that we have 100% participation.

Before the school year ends, students in grades 6 through 11 will be pre-registering for classes for the upcoming 2025-26 school year. We will be meeting with each class, providing paperwork, and explaining graduation requirements as well as options. Each student is required to show a parent the completed pre-registration form. This signed form must be returned to the school before the selected classes will be considered for his/her schedule, so for students who will be in 7-12 grade next year, you may want to ask about this, and if they have thought about next year's classes.

Depending upon teacher availability and need, Allen Consolidated Schools may be offering a summer school program for our K-8 students this summer. The focus would be on math and reading in individual or small group instruction. Please contact the school if you are interested in enrolling your student! Phone: (402) 635-2484 or email: mpattee@allenschools.org.

Finally, we ask that you remind your child to be especially responsible and careful as we enter this time of prom and graduation celebrations.

Michael Pattee, Superintendent

Be a Volunteer!

Becoming a school volunteer can be one of the most rewarding experiences in life. Sharing a special talent, reading a book to a student, assisting the school librarian, helping to put up an interesting bulletin board for the classroom teacher, or helping chaperone on a field trip are all ways that one can serve as a school volunteer. Volunteers are made up of parents, grandparents, business people, retirees, high school students, and other community members. They can volunteer on a regular basis or on special occasions.

If you would like to volunteer please call the school at (402) 635-2484.

Family Educational Rights and Privacy Act (FERPA)

Annual notice provided to parents/guardians and eligible students of their rights to inspect and review educational records, amend education records, consent to disclose personally identifiable information in education records and file a complaint with the U.S. Department of Education.

HANDICAPPED CHILDREN'S ACT

Allen Consolidated Schools requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (PL 94-142) and Nebraska Statute which guarantees a free appropriate education program for all children between birth and 21 years of age.

If you have students or know of any young person who meets criteria please contact the Superintendent's Office. (402) 635-2484

SPECIAL EDUCATION

Allen Consolidated Schools ensures that a free appropriate public education is available to all children with disabilities from birth through the high school year in which the student reaches 21 years of age, including children who have been suspended or expelled from school.

Non-Discrimination Policy

It is the policy of the Allen Consolidated Schools not to discriminate in its educational activities on the basis of: race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program or activity conducted or funded by the Department. (*Not all prohibited bases will apply to all programs and/or employment activities.*)

Safety / Crisis Information

The Nebraska Department of Education is in the process of unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

Here at school, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. If you come to school and see a sign on the door, it will give information and indicate the type of drill being practiced. Please don't be alarmed, and just know that we are practicing so that we can better protect our students. **In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site will be the school Bus Barn located at 111 E. 2nd Street, Allen.**

In the case of an emergency, we would ask that parents and community members keep the following in mind:

- 1) Parents and relatives should **NOT** respond to the incident site (**school**) to allow public safety personnel time to respond to the incident.
- 2) Students will be released only to approved adults at the evacuation/reunification site (**Bus Barn**).
- 3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.
- 4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.
- 5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do. Thank you!

The juniors and seniors kicked it at their Totally Rad prom on March 22nd. A total of 26 students and their dates strutted their stuff at Grand March followed by a meal catered by Pac N' Save. After dinner, they danced the night away and enjoyed time with one another. Post Prom was at Tilt in Sioux City where students got to play games, mini golf, and laser tag.

Special thanks to the junior class and Mrs. Munter for planning the evening, Mrs. Levine for helping decorate, running the spotlight, and chaperoning with Mr. Pattee, Mr. Smith for getting our DJ booth up and running (and the 80s/90s playlist), Balloons by Ashley for the amazing balloon arch, and the junior parents for planning and fundraising for post prom. It takes a village to plan and execute this fun filled evening!

Summer School may be offered again this year for students in Grade K - 8th!

Depending upon teacher availability and need, Allen Consolidated Schools may be offering a summer school program for our K - 8 students this summer. The focus would be on math and reading in individual or small group instruction. Please contact the school if you are interested in enrolling your student! Phone: (402) 635-2484 or email: mpattee@allenschools.org.

The Adult Living Class under Mrs. Levine's tutelage has been very productive.

So far they have made homemade pizzas, an assortment of pies (7 Apple, 4 Cherry, 4 Blueberry, 4 pumpkin, and 3 Oreo Pies), and the class has been working on creating their own quilts. They have had to create a design, cut squares, and sew them together. They had to add a middle and back, pin it together, and sew all together. The last step is tying the squares corners.

If there is anyone who does the "machine quilting" that would like to show off their handiwork, let me know and you can come present to my class (1pm-2pm).

These students are learning to sew, cook, and budget. Lots of skills coming up.

The class includes Ruany F, Alex S, Kristina H, Joe R, Joey L, Garrett G, Aceson, Bryan I, and Aidan I. Our next projects include: making banana bread and homemade white bread and creating a formal meal. Mrs. Levine

The Spring 2025 Scholastic Book Fair was another success! We had over \$1600 in sales. Teachers were once again able to submit wish lists and each teacher who submitted a wish list, received all items requested (based on availability). Kindergarten won BINGO this time around and each of them received a free book! Many students enjoyed a spin-the-wheel game where they paid a \$1 at a chance to win one of many prizes, large and small! Thanks to all of those who supported the Book Fair this time around! **Special Thanks to Larry & Kathy Boswell for their generous donation!** Their donation went towards teacher wish lists for books for their classrooms.

The preschool class got to visit the Book Fair this month and each select a book to take home! Thank you to Carol Jackson for your continued support to keep books in the hands of young readers!

April 2025 NEWSLETTER

ECRWSS BOXHOLDER ALLEN, NE 68710

Beginning August 2025-2026 the Allen Consolidated School newsletter will NO LONGER BE MAILED OUT!! Printed newsletters will be available to be picked up at Countryside Gas, the Post Office, and Security Bank! As always the newsletter can be found on the school website, app or Facebook page.

Are you new to the Allen School District or have you had an addition to your family?

The School District Census Report is a requirement from the Department of Education that is due every July for children ages 0 - 21 that reside in our school district. These numbers are used by the Nebraska Department of Education for state aid and for federal funding. This list is also used to invite children who are eligible to be enrolled in Pre-School and Kindergarten each spring.

If you are new to our district or know of anyone who is new to our district you are encouraged to contact the school to provide us information. State statute and board policy requires that the school district establishes a permanent, continuing census of all children age 0 - 21, and to maintain this census on yearly basis.

Please contact Stephanie Sullivan or Becky Stapleton at (402) 635-2484

Or email: ssullivan1@allenschools.org or bstapleton@allenschools.org

Allen Consolidated Schools Improves Student Safety with TIPS

Just a reminder: the TIPS reporting link is on the school website and can be used to allow the anonymous reporting of bullying, weapons, abuse, vandalism, suicide risks and other concerning behaviors that may have a negative effect on the school's learning environment. TIPS can also be used to report acts of kindness or other make positive comments in something called a Hero report.

How it works: if you are worried about friends, students or others, or if you witness concerning behaviors, simply go to the Allen School website (www.allenschools.org) and click on the TIPS REPORT INCIDENT button under Quicklinks on the right side of the website. Select the appropriate incident type, share the necessary details and then SUBMIT.

Once an incident report is made, the principal and designated staff members are immediately notified via email and can securely review the report details to begin coordinating an appropriate assessment and response. TIPS provides all team members with the right tools to track and document the actions taken, see related reports, set automated reminders, review past reports, check school policy, and connect the right dots so no students or incidents are overlooked. **Please keep in mind that due to confidentiality issues, it may not be possible for reporters to be informed on how their report was handled and/or how the situation was resolved.**

Thank you for helping to keep our students safe!
