Love Me For A Reason
Oh when you hold me
How you control me
You bend and you fold me
Anyway you please
It must be easy for you
The loving things that you do
But just as I told you
I could never be.
And I never know dear
If I should stay or go dear
It's a game that you play
Keeps driving me away.
Don't love me for fun
Let me be the one
Love me for a reason and
Let the reason be love.
