*Sounds And Memories-*  
*"The Way We Were"*

Memories light the corners of my mind,  
Misty watercolor memories of the way we were.  
Scattered pictures of the smiles we left behind,  
Smiles we gave to one another for the way we were.  
Can it be that it was all so simple then,  
Or has time rewritten every line?  
If we had the chance to do it all again,  
Tell me, would we? Could we?  
Memories may be beautiful and yet,  
What's so painful to remember-  
We simply chose to forget.  
So it's the laughter we will remember,  
Whenever we remember-  
The way we were, the way we were.

# Homecoming In The Passing

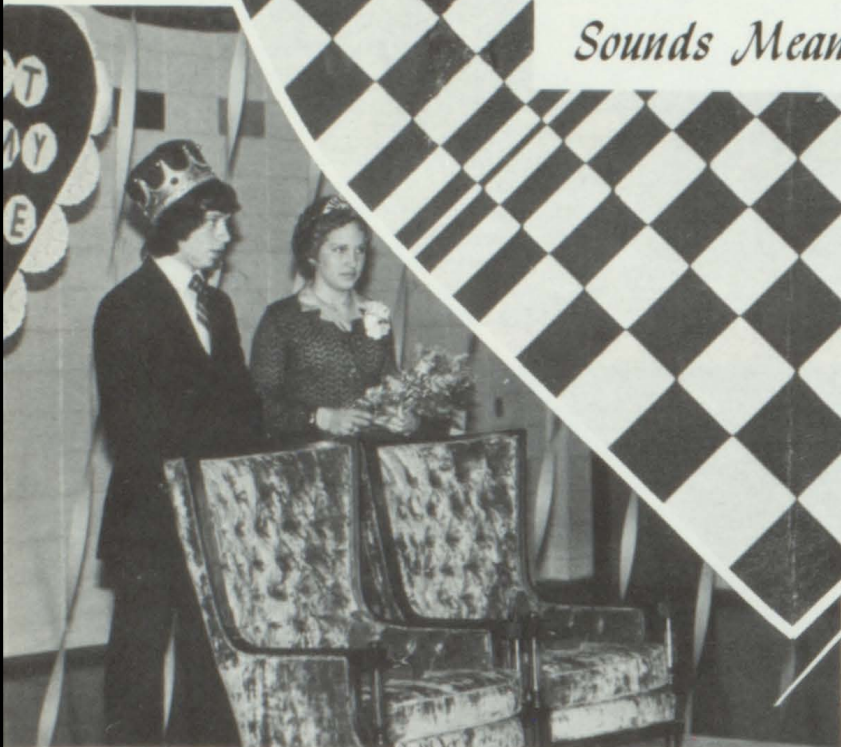

Highlights of homecoming week included a different fun day each day. The days were: Monday-sucker day, Tuesday-weird day (Left), Wednesday-class day with each class wearing a different color, Thursday-dress-up day, and Friday-blue and gold day. Coronation of the 1978-79 royalty was held in the gymnasium on October 6, 1978. The program included a skit with students depicting the coaches in honor of Coaches' Day. The swing choir (Center Left) also performed at the ceremony.

The student body paraded downtown and held a pep rally there (Lower Left). The royalty reigned at the football game by riding before the stands (Below) at half-time. After the game a disco style dance was held (Lower Right) in the school for students and alumni.

# Annual Staff Echoes Back Memories

Mrs. Marcia Rastede was the advisor for the Annual Staff (Above) and was a great help in producing this year's annual. She also used her English skills in teaching seventh through eleventh English classes.

Again, the Annual Staff was busy through the year putting together the year's memories. Because of the merchants who supported us with their advertising, a vital phase in financing, we were able to produce this annual and keep your purchase price low. We hope you will patronize the merchants who advertised in this book.
