Footprints in the Sand

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand: one belonging to him, the other to the Lord.

When the last scene flashed before him, he looked back at the footprints and noticed that many times along the path there was only one set of footprints in the sand. He also noticed that this happened during the lowest and saddest times in his life.

This really bothered him, so he questioned the Lord. "Lord, you said that once I decided to follow you, you would walk with me all the way, but I noticed that during the most troublesome times of my life, there was only one set of footprints. "I don't understand why, when I needed you the most, you deserted me."

The Lord replied, "My precious, precious child, I love you and would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

ORGANIZATIONS

A STEP IN TIME

EACH DAY OF THE SCHOOL YEAR WAS A STEP IN TIME.

A step onto the bus, a step into the schoolhouse, a step into the superintendent's office, a step onto the graduation stage and off again are all milestones in the life of a student and his school life. With this thought in mind, the Annual Staff wanted to use the 1984-85 yearbook to show the steps in time of each student at our school.

STUDENTS RECEIVE RECOGNITION AS STUDENT LEADERS AND HONOR ROLL MEMBERS

The student council (top) is a group of students chosen by their classmates as representatives of the student body. The council, under Mr. Kumm's sponsorship, planned and supervised the homecoming activities. The National Honor Society (above) is a group of juniors and seniors, chosen by a faculty committee, as deserving of membership because of their scholastic, leadership, and moral qualities. This group, as well as eighth through twelfth honor roll students (left), were recognized at Awards Night.

THE FHA CONVENTION THEME WAS APPLIED TO OUR LOCAL CHAPTER ACTIVITIES.

"Winners of Tomorrow" seemed an appropriate slogan for the FHA chapter goals. The District Convention held at South Sioux City and the programs of domestic violence, career opportunities, and wedding planning were educational in showing that the members could be winners in any of their endeavors. Fundraising activities were the lollipop and candy cane message service, raffling a stuffed football, and holding Mr. Uldrich for ransom. Several members went from door-to-door collecting \$110.00 for the American Diabetes Association. We again had secret sisters and a Christmas cookie/candy exchange.

FFA IS A YEAR-AROUND ACTIVITY.

During the summer, the FFA chapter kept busy by making gates for the Dixon County fairgrounds, taking a leadership trip to Valentine, and participating in local and district tractor driving contests. Many chapter members attended the various livestock judging contests and brought animals to the Children's Barnyard during the school year. The FFA helped sponsor the Sweetheart Dance and held monthly meetings. As the school year neared an end, they held their FFA Banquet to install new officers and award outstanding chapter members. J. Johnson was awarded Star Greenhand, J. Gotch was named the Star Chapter Farmer, S. Mahler was awarded the Outstanding Future Farmer award, and Roger Clough was sited as top fruit salesman for the second year in a row.

EARNING A LETTER IN A SCHOOL ACTIVITY ENTITLES A STUDENT TO BE AN A-CLUB MEMBER.

A-Club activities, under the sponsorship of Mr. Uldrich carried out three main projects this year. They bought flowers and presented them to the volleyball girls as they went to state tournament, they sold chances for a shooting contest at basketball games (revenue to be used for a hip sled), and they sponsored the Athletic Banquet. The dinner and awards ceremony was well attended and both students and adults enjoyed the speaker Mark Ahlman, the Channel 4 sports announcer.

STUDENTS GAIN POISE AND CONFIDENCE BY PARTICIPATING IN COMPETITIVE SPEECH ACTIVITIES.

For the second year in a row, the conference speech contest was held at Allen. Our students competed in that contest and at district contest held at Wayne. We received two superiors, ten excellents, and two goods at these contests. The one-act play, entitled "While Shakespeare Slept" (below), received a good at conference contest and an excellent at district. The authentic costumes used at the contests, student body and public performances, helped the actors depict the story of the play. According to the plot, Shakespeare decided to give up writing and become an inn keeper. Before starting his new occupation, he had a dream in which the future ladies in his play came to life and convinced him to continue writing.

Speech And Drama 11

The Young, The Dumb, and The Inspector was written by Mr. Heckathorn for exclusive production by the senior class.

This comedy of incongruities was about six students who were returning from a dance. Their car slipped off the road, and they were forced to seek shelter in a hunter's cabin. There they encountered two young German scientists who were looking for their lecture notes which contained a valuable formula. The situation became more serious when the inspector arrived looking for the scientists. However, the county deputies continued to add humor with their ridiculous behavior.

KINDERGARTENERS made the first step into the never-ending world of formal education. They made new friendships, explored the world of reading, and learned group discipline. Among the events enjoyed by this group were being fire-flies at the Christmas program, releasing helium balloons in March, and attending the Shrine circus. Because of the number of students, the class was split into a Monday/ Wednesday/ Friday group and a Tuesday/Thursday/Friday group.

Row 1-MRS. JOY SMITH, Jason Mitchell, Jennifer Hoffman, Greg Rastede, Trisha Nelson. Row 2-Joshua Snyder, Frank O'Neill, Tammy Jackson, Andrea McGrath, Michael Blohm. Row 3-Abbey Schroeder, Tracey Jackson, Danny Puckett, Melissa Peers, Amie Gensler, (absent-Chad DeRaad).

FIRST GRADERS are perhaps the most fun, yet difficult group to teach. They are still small children, but they are maturing so quickly in their social and intellectual skills. The academics of first grade are the basic foundation for the rest of their lives. They begin their math concepts with addition and subtraction. By the end of the year their reading and phonics ability is well established. While learning to read, this group occasionally pantomimed or acted out their stories. This class was excited about their class holiday parties, Christmas program, Shrine circus, and Weekly Reader balloon release. Throughout the year, each student corresponded with a pen pal in Maryland.

SECOND GRADERS are a learning group, realizing some of the fantasies of children are not true, but not yet wanting to face reality. They are little adults learning about the world outside the classroom. The group toured the fire house and rescue units, visited the bank in conjunction with the money unit, and registered to vote at the village clerk's office. They entertained others by singing to the senior citizens and performing the play "When Owl Lost Its Hoot" for their parents and primary grades. They took on a project of building a replica of the Village of Allen. Other non-academic fun activities were the holiday parties, programs, and the circus.

THIRD GRADERS still enjoy the excitement of learning something new every day, but realizing that their subjects are certainly becoming more difficult. They enjoyed their many science experiments through the use of the Cenco Science Lab. Locally they took a field trip to our Dixon County Museum. They also attended the Children's Theatre at Wayne State College for the first time. They were getting old enough to be participants in the elementary track meet - competing against the older students. Their major art project was the colorful and interesting totem poles made from milk cartons. While reminiscing about the retirement of Mrs. Furness this year, many of her students while she taught either sixth grade or third grade will vividly remember how **HARD** she could thump them on the head when they were misbehaving.

FOURTH GRADE students are on the step toward being upper elementary. Their curriculum is more difficult and demanding. Their teacher, MRS. MARGARET LUNZ, uses educational television and recordings quite extensively to make Nebraska studies the most memorable subject for this grade level. Everyone enjoyed the Halloween, Christmas, and Valentine's parties as well as the WSC Children's Theatre and intermural track meet.

At mid-year, Mrs. Lunz decided to join the other retirees and resign after 22 years of teaching in the Allen school system. Her teaching expertise influenced hundreds of children and several generations.

FIFTH GRADERS had many chances to be creative in their cutting, painting, and drawing art projects and in their creative writings and original poems in English. Their beginning-of-the-year rock collections and experiments made science interesting while the salt and flour maps made social studies/geography easier to understand. The class Halloween party and parade, Christmas program and party, and loving messages at Valentine's Day enlivened holidays. Every student enjoyed the roller skating party on the last day of school.

SIXTH GRADE, the last step of elementary school, is the last time for holiday parties, intermural games, and Children's Theatre. It is the beginning of musical competition at the elementary and junior high contest held at Allen for schools in the area, participation in band, and Spanish instruction. Sixth grade students especially enjoy the day-long field trip planned by **MRS. TILLIE RASTEDE**.

Another retiree from our system this year is Mrs. Rastede. She has touched the lives of many students over the years while teaching in rural and town schools in Dixon, Dakota, Cedar, and Wayne counties.

With the addition of several students who moved or transferred into our district, the SEVENTH GRADE is the largest class in the system. They crowded into the classroom and readily adapted to the junior high schedule. Aside from the four main academic classes, they also attended home economics, typing, shop, art, and Spanish classes on a nine-week rotation schedule. A majority of the students were involved in musical and athletic activities.

Row 1-Paul Brentlinger, Brent Blohm, Troy Jewell, Renee Plueger, Wendy Boyle, Chantel Hancock. SOPHOMORES TAKE A STEP UP IN HIGH SCHOOL.

Sophomores were kept busy after school with basketball, track, volleyball, and football. They also found time to participate in speech, A-club, and music. Along with their busy schedule, they took time out to order class rings. The sophomores were also very active in homecoming week. They entered a float entitled "We'll Run Rings Around the Panthers" in the parade and showed that they had a lot of spirit by winning the spirit stick.

THE JUNIORS HAVE ONE MORE STEP TO GO.

With just one more year left, the junior class began to prepare themselves for the future by taking the ACT and SAT college entrance exams. As a class, school activities included sponsoring several dances, entering a float in the Homecoming parade, and working in the concession stand. Individuals served as escorts at homecoming and graduation. The money earned at the beginning of the year with magazine and records sales was used at the end of the year in presenting a memorable prom for the seniors.

Kiyomi Saitoh

Kiyomi Saitoh was the third Japanese exchange student to attend school at Allen. She was from Tokyo and attended Wayo Women's High School. While in America, Kiyomi stayed with the Marlen French family. She participated in County Government day, FHA, Chorus, and Girls Glee. After going back to Japan, she will have another year in high school and will then go to the university.

Rainer Wichern

A foreign exchange student from Stade (40 miles west of Hamburg) Rainer Wichern, had a lot of fun being a senior this year. He was active in annual staff, FFA, chorus, football, basketball, track, math contest, and attained honor roll status. While in America, he lived with the Gary Hoffman family. Back in Germany he has two years left in "gymnasium" before he will go to college. He really liked it here and hopes to come back in 10-15 years.

The senior class were outstanding participants in school activities.

The twenty-six members of the Class of '85 enjoyed their school years by participating in the many academic and non-academic activities offered at AHS. Half of the class were in athletics, several of them receiving conference team recognition. The band benefited from the experience of the eleven seniors who had been in band since fifth grade. Over one-half of the Swing Choir members were seniors. Eight seniors competed in speech and declam contests. One-fourth of the class were honor roll and National Honor Society members. Officers of the class were: Pres.-S. Mahler, V.P.-R. French, Sec.-A. Gotch, Treas.-J. Cutting, and Student Council-M. Petit and P. Heckathorn. Underclassmen will always remember the giggly girls and outspoken boys of this class.

ALLEN STUDENTS ARE SPACED OUT FOR HOMECOMING.

The entire Allen student body was spacey as we celebrated Homecoming week, September 24-28, 1984, with space as the theme. Costume days included space-alien, grubby, hat/sock/ toy, blue/gold, and dress-up. We had a Thursday evening pep rally in the gym following the volleyball game. Aside from the usual cheering and class spirit contest (won by the sophomores), the FHA captured Mr. Uldrich and students donated \$10.00 in ransom money to gain his release. The coronation was held Friday afternoon with a parade and pep rally in the park. Homecoming royalty for 1984-85 (see page 35) included King J. Jones, Queen A. Gotch, and attendants S. Fahrenholz, M. Oswald, T. Kavanaugh, and S. Mahler. Master and Mistress of Ceremonies were T. Lund and P. Heckathorn. Crownbearers and flowergirls were F. O'Neill and A. McGrath (first) and C. Sullivan and B. Sachau (kindergarten). The class floats, royalty, and band participated in the football game half-time show. A dance with Redd Tag Disco supplying the music was held in the gym following the game.

The boys and girls' cheerleading squad, consisting of T. Noe, B. Fiscus, J. Johnson, T. Harder, M. Greenough, K. Chase, M. Oswald, and L. McDonald (left) came up with new stances and stunts because of the increased number of girls in the group. Their sponsors, MRS. CARLSON and MRS. JUNIOR HIGH FOOTBALL TEAM EARN A WINNING SEASON.

After six years of losses, the junior high boys won two of their three football games. This, of course, was the highlight of the year. The girls' successful volleyball, basketball, and track season, and the remaining boys' basketball and track seasons also were filled with exciting moments.

The band planned for the spring trip throughout the school year.

Aside from performing at games, Pops, Christmas, and Pre-contest concerts, and Homecoming parades, band members were responsible for raising the money for a spring trip to Kansas City. They did this by selling gift items, craft and cake raffles, can/paper drives, and concession stand operation. Seniors-P. Heckathorn, A. Gotch, T. Kavanaugh, M. Oswald, S. Boyle, J. Jones, L. Chase, J. Benstead, J. Petit, S. Mahler, R. French (left)-band members, and sponsoring parents attended a baseball game and Worlds of Fun while in Kansas City.

STUDENTS ARE WILLING TO EXPEND TIME, EFFORT, AND MONEY TO BE JAZZ BAND AND SWING CHOIR MEMBERS.

Jazz band members were selected in November on a voluntary basis. Those in the saxophone section who auditioned were asked to play a designated song, sight unseen. The group performed at the Pops and Pre-contest concerts. They competed at the Wayne State Jazz Festival, U.S.D. Jazz Festival, and District Music Contest. The Swing Choir was chosen in the spring of the 1983-84 school year. Each section sang from "Celebration" and performed the choreography for it. Mr. Belt then chose the students who would be in the group. They performed at Homecoming Coronation and the Christmas, Pops, and Pre-contest concerts. Competitive performances were at U.S.D. Jazz Festival and District Music Contest.

Row 1-D. Magnuson, D. Magnuson, M. Oswald, P. Heckathorn, B. Hansen, K. Chase. Row 2-ASST. COACH WOODWARD, K. Hansen, T. Harder, L. Erwin, K. Blohm, L. Boyle, E. Hansen, COACH TROTH. Row 3-D. Uehling, S. Boyle, N. Olesen, A. Jones, S. Hancock (mgr.), J. Greenleaf (mgr.).

THE GIRLS FOLLOW COACH TROTH'S ADVICE BY BECOMING "INTENSE" FOR A WINNING SEASON.

Although height was not an advantage to the varsity girls' basketball team, their quickness, determination, and balance in leadership and scoring led to a respectable 11-8 season and play in the district tournament. The junior varsity only lost one game in their season, provided good competition for the varsity players in intermural practice, and showed high hopes for a victorious future.

Consistent leaders with aggressive play throughout the season were seniors M. Oswald, P. Heckathorn, and S. Boyle (above). Individuals who were sited for outstanding play were P. Heckathorn-Second Team All-Conference and First Team All-Area, Denise Magnuson and S. Boyle-Honorable Mention All-Conference, Denise Magnuson-First Team All-Area, and S. Boyle and M. Oswald-Honorable Mention All-Area.

Row 1-C. Hoffman, M. Petit, C. Noe, S. Jones, R. Wichern, K. Malcom, J. Jones, M. Oswald, J. Gotch. Row 2-COACH ULDRICH, S. Mahler, B. Malcom, C. McGrath, L. Boswell, J. Kwankin, B. Hansen, P. Brentlinger (mgr.), ASST. COACH SCHONING.

ATTENDANCE IMPROVED BECAUSE OF THE EXCITING BOYS' GAMES.

In contrast to the girls' basketball team, the boys' height helped in rebounding and shooting so as to attain a 9-7 season. In five games, the score was a three or less spread which provided excitement for players, coaches, and spectators. The most exciting games of the year were against Ponca where we won two out of three meetings and won first place at the Ponca Invitational Tournament.

Seniors on the team were K. Malcom, J. Jones, B. Hansen, S. Mahler, M. Petit, and R. Wichern (above). Individuals receiving team placement for outstanding play were C. Noe-First Team All-Conference, Honorable Mention All-State, and First Team All-Area, K. Malcom-Second Team All-Area, B. Hansen-Honorable Mention All-Area, and S. Mahler and M. Petit Honorable Mention All-Conference.

More than just good seed

Everyone who uses Pioneer® brand products knows how well they yield. But, there's more to Pioneer than just consistently good yields. Things like genetic depth. Because Pioneer® brand hybrid and variety lines are so extensive, you can spread your risk without having to go anywhere else. There's the product line itself — it covers everything from seed corn, soybeans, alfalfa, sorghum and wheat to silage inoculant. And if you ever have questions, Pioneer has trained field agronomists available when you need them.

Finally, there's your Pioneer salesman. He's someone you know, like and trust. And because he lives right down the road from you, everything Pioneer offers is right down the road, too.
