A school is more than academics with so many people involved in so many activities. The annual staff wanted you to look between the lines at the 1987-1988 school year. In addition to producing the annual, the staff picked up (left) and sold home grown popcorn at BB games (above) as a fundraising project.

*The 1987-88 FHA Theme Was  
"Toward New Horizons."*

The 41-member FHA did many exciting things this year in the attempt to experience new horizons. We had outsiders come to our meetings and present programs on current topics. We attended District Convention at Emerson and invited the Wakefield FHA chapter to conduct a joint meeting with us. As fundraising activities the group had a football raffle and lollipop message service. As fun activities the organization along with their sponsor Mrs. Boswell and chapter mothers Kathleen Lee and Ellen Noe sponsored a computer dance, helped with the annual Sweetheart Dance, had secret sisters, held a Christmas party with a cookie exchange, and a salad buffet in the spring.

*Planning For The Future Was  
The Goal Of The FFA.*

With an agricultural future in mind, the FFA meetings, projects, contests, and conventions were planned to benefit the members. The chapter under Mr. Wilmes guidance, sponsored the FFA banquet and Sweetheart Dance. Community projects included selling fruit and cheese to the public.

Cheerleading is a difficult task which includes practice, physical stamina, and constant enthusiasm to make the crowd cheer. The 1987-88 cheerleaders combined talents for cheering at football games and broke into boys' (top) and girls' (middle) squads for the basketball and volleyball cheering. Sponsors M. Johnson and J. Uldrich, helped the girls in practice sessions and concession stand supervision.

### *Sophomores Dominate The Team.*

The Allen Eagles completed the '87 season with a 0-9 record. The Eagles showed improvement throughout the season. The future of the Eagles looks bright with only two seniors departing the team. The boys should be commended for giving their best at all times. The boys appreciated the continued fan support. Honors went to K. Chase, J. Green, and J. Fahrenholz for All-Conference Honorable Mention and K. Chase for All-Area Team.

*Underclassmen don't give up despite losing season.*

As in football, the boys' basketball team was composed almost entirely of sophomores. Although the year was discouraging, the experience gained this year will definitely help for the success of future teams.

*Drama Includes Interschool Competition And Intraschool Performances.*

The One-Act Play (left) was an extracurricular activity that met to practice before and after school under the guidance of Miss Roberts. The play presented at Conference contest (good rating) and District contest (excellent rating) was entitled "Trial By Fire." It was about a girl (T. Olson) who was on trial for kissing a boy (R. Strivens). The jurors (E. Mattes, B. Stingley, and C. Smith) listened as the prosecuting attorney (J. Liebig) had an anti-dancer (R. Plueger) and anti-lover (B. Greenleaf) testify against the girl. The defense attorney (W. Vavra) was able to convince the judge (T. Moore) of the innocence of his client. The play ironically ends with the girl walking offstage with the boy and saying, "Thanks, Mommy," to the judge.

The drama class (left) used class time to practice for the two plays they presented to the student body during the second semester. To grades five through twelve was presented the comedy entitled "Drive-In." The setting was at a local drive-in on a typical Friday evening. The plot showed the misunderstandings and arguments which can happen between teenage couples. By the end of the play, boyfriends and girlfriends have been exchanged and the shy boy has become not so shy! The play, "Cinderella Goes Disco" was the selection for the kindergarten through fourth grade students. Cinderella is skeptical of fairy tale magic, so Persephone must persuade her. After the re-enactments of the stories "Beauty and the Beast" and "Sleeping Beauty", Cinderella is convinced of fantasy and meets her prince. The students especially enjoyed the play because of the audience participation.

PIONEER HI-BRED INTERNATIONAL, INC.

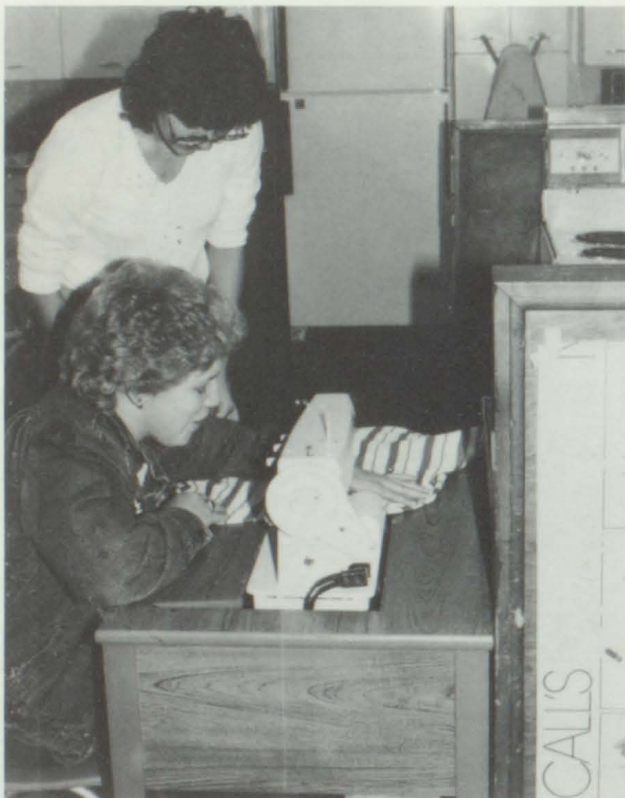

## SEW-VAC-WHITE COMPANY

### More than just good seed

Everyone who uses Pioneer® brand products knows how well they yield. But, there's more to Pioneer than just consistently good yields. Things like genetic depth. Because Pioneer® brand hybrid and variety lines are so extensive, you can spread your risk without having to go anywhere else. There's the product line itself — it covers everything from seed corn, soybeans, alfalfa, sorghum and wheat to silage inoculant. And if you ever have questions, Pioneer has trained field agronomists available when you need them.

Finally, there's your Pioneer salesman. He's someone you know, like and trust. And because he lives right down the road from you, everything Pioneer offers is right down the road, too.
