CLASS OF 2018

Kapri Anderson

Looking back at your baby pictures, we are not one bit surprised to see what a beautiful person you have grown to be. From a chubby-cheeked little water bug to such a beautiful and amazing young lady. We could not be more proud of the person you are. You are smart, funny, and have such a gift for making people smile. We hope you never lose sight of your dreams or put yourself aside for anyone. Although we must send you out to the world as an adult, always remember no matter what, we will always be here for you. No matter where the world takes you, we know you will do great.

Hailie Brentlinger

From baby to beautiful--
you will always be my Princess Mars!!
Love, Dad

Being happy with you is a favorite thing to do; the happier you are the more beautiful you become. So reach for the stars and keep sharing your beauty as you continue your journey in life, Sweetie.

Love, Mom

Madeline Connot

What a wonderful journey watching you grow into a young adult. We have seen you develop valuable life skills while learning to be a great friend to many. You know how to enjoy life and brighten the world for everyone around you. We love you and wish you well.

Destina Martell

It's here! You've made your way always bold and strong! Each day we watched you grow into the amazing person you've become. Daughter, before you run and explore, there are a few things you must know; we are so proud of who you are and all that you have done. We have great pride in calling you our smart and beautiful daughter. Breath deep, baby girl, and take that leap with grace and fire we know you have. Remember, be yourself, always be brave, be patient, be kind, always accept a challenge, follow your heart, and ask when you need help. And if you look back and see tears know you've made our life more beautiful than we dreamed.

CLASS OF 2018

Blake McCorkindale

We're so proud of you and we can't wait to see what your future holds!

Kiara Monteith

There are 3 things we always want you to remember:

- 1) You are responsible for your choices. No one else can choose for you.
- 2) Always have a goal as your compass. Odds are, it will guide you in the right direction.
- 3) Never give up. Your future is up to you.

Hunter Riffey

We are proud parents of a young man that is funny, loving, straight forward, smart, and hard-working. You have always worked hard for what you wanted and your goals. You are the kind of person to put others first. We couldn't be any happier with the young man we have raised.

Luis Rivera

Congratulations, Son, on your accomplishment. It was never easy but you dared not to give up. I'm very proud of the person you have grown to be. Your serious efforts have paid off, and you deserve every bit of it. Always believe in yourself, and that you can do it. Good luck and God bless you in your new journey to come. Always stay humble

Love, Mom!

CLASS OF 2018

Jacob Williams

We are proud of the young man you have become! We pray you have the strength, confidence, and wisdom to face the challenges life has to offer. We hope your journey has some adventure, and that you always remember to stop and help someone along the way.

Learn from the good and bad times, and be the great man we know you can be!

We love you!
Dad & Mom

Levi Woodward

We are so proud of the fine young man that you are. You have made some wise decisions and there will be some wonderful benefits because of them down the road. Your faith in God, a positive attitude, hard work, and perseverance will lead you down roads you've only dreamed of. Always be honest, kind, and a good listener. You know there will be trials; face them head on for they will only make you stronger. May God bless you richly all the days of your life. We love you so much, Son.

All Our Love,
Mom and Dad
