## Reed Hingst

Congratulations on everything you have achieved so far. You have only just begun on your own journey filled with success. It's hard to see you grow up but so easy to see what a wonderful person you've become. We are so proud of everything you have done. You have put so much extra time and effort into all you do, and it shows. **YOU DID IT!**

Love, Mom and Dad

## Devin Hoelsing

"It is not the critic who counts...The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat ... if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who neither know victory nor defeat." ~T. Roosevelt

Thanks for all the heart attacks. Never stop being fearless. Don't get into a big hurry to grow up. We are proud of you and all your accomplishments.

Mom

## Anthony Isom

Anthony, you have made us two of the proudest parents in this town. You have reached every goal we have ever set in front of you...and then some more.

We have never had a son that has a brighter future than you do. We have loved watching you grow as a child and can't wait to see you walk out as a man. Follow your dreams, and make them come true, just as you have made our dreams come true sharing our lives with you. Love you with all our hearts.

Mike & Val

## Alli Jackson

From start to finish, you've always shown sheer determination in everything you've done. Every challenge you meet head on! Because of this, you've had so many accomplishments throughout high school. Continue this through life and you will soar! Congratulations on your graduation. We are so proud of you, Lulu! We love you "everywhere you go..."
