The administration is requiring any students, 5th-12th grade, who participate in band and who rents an instrument from the school to be required to pay a \$35.00 rental fee. This fee does include percussion. If your child is a 7th – 12th grade percussion and owns their own snare/bells kit, they are still required to pay the fee to cover all aspects of percussion in our bands. If your child is in 5th and 6th grade and they own their own snare/bells kit, they are not required to pay.

Thank you, Administration
